## Options

## MELAMINE • VIZÜ COLOURS

Using our in-house melamine press, our custom colours can be used in any of your Slatwall designs. The panels are readily available in our Vizü sturdy packaging.

## UNIBOARD COLOUR

Using Uniboard's MDF Excel + Panels in any of their Signature & Synchronized Colour Collections, this dynamic combination will offer clients the ease and solution to all their Slatwall display designs. It will appeal to the designer and architect community as any of these Slatwall panels can be purchased 20 sheets per colour and slotted to your exact specifications.

## DECORATIVE WOOD / VENEER

For a more sophisticated project you can provide us with your Decorative Wood / Veneer ¾" MDF panel(s), and we will slot each sheet as per your client's specifications.

## LAMINATED / HPL

VIZÜSOLUTION now offers HPL lamination!  
We are able to offer Slatwall with infinite possibilities of colours & finishes; using the most popular brands of High Pressure Laminates pressed on ¾" MDF and grooved to your clients wishes.
